

## LADA Automotive Cable

LADA automotive cables made by us are constituted by inner conduits, steel wires, PVC tubes, rubber, zinc alloy, nut, and so on. As dedicated auto/marine control cable manufacturer, we provide multiple control wires like throttle cables, tacho cables, gear shift cables, etc. to meet assorted requirements from clients.

Apart from LADA automotive cables, we also manufacture precise and quality cable products available for many other brand-name vehicles, such as TOYOTA, HOND, MAZDA, ISUZU, FORT, FIAT, GM, VW, and so on.

We manufacture a wide range of speedo/tacho cables for any make or model of car. If you require a bespoke design for the speedo cable, give us the technical specifications and we will manufacture and dispatch your custom speedo cable as soon as possible. If you are not sure what kind of cable you need, give us a call and we will be happy to help you.
